## Tech Tips and Tricks: Helping Your Child With Virtual Learning

Learn how to navigate virtual learning and help your child thrive while in an online classroom. We will cover the various platforms used in virtual learning and discuss ways to keep your child focused and on task while at the computer.

**November 4th, 7-8PM**

# Who we are...

- ▶ Formed Families Forward, a family-led resource center in No Va
- ▶ Provide training and direct support to foster, adoptive and kinship families who are raising children and youth with special educational needs, and professionals who work with our families.
- ▶ We offer free training, *Stronger Together* peer support groups, consultations to families, events, resources, classes, and systems navigation. **Respite program!**
- ▶ Family partner to Virginia Tiered Systems of Supports (VTSS)
