

FAIRFAX RECHARGE: FREE CHILD CARE

Is your family feeling
overwhelmed by
responsibilities
due to COVID and school
and day care closures?

Are you raising a child
with behavioral or
emotional needs?

Get free child care with the **Fairfax Recharge** program! Use the time to work, relax, seek employment, or take care of other responsibilities. Low income Fairfax County residents, including those in Falls Church city and Fairfax city may be eligible to receive free child care for 15 hours a week for 8 weeks. Child care providers will be paid \$20/hour directly as independent contractors.

You must have a child care provider identified before you apply for the program. Providers must be 18 years of age or older. Background checks will be conducted on all child care providers. Work schedule will be determined by you and the child care provider(s) you choose. You will need to work with providers to take personal health precautions for the safety of all.

Starting at 9 AM on Monday, February 22, complete the family application [HERE](#).
