

# FAIRFAX SUMMER RECHARGE: FREE CHILD CARE

Is your family feeling  
overwhelmed by  
responsibilities  
due to COVID?

Are you raising a child  
with behavioral or  
emotional needs?

Get free child care with the **Fairfax Summer Recharge** program! Use the time to work, relax, seek employment, or take care of other responsibilities. Low and moderate income Fairfax County and Falls Church residents may be eligible to receive free child care for 15 hours a week for 10 weeks, from June 12 to August 20. Child care providers will be paid \$20/hour directly as independent contractors. You must have a child care provider identified before you apply for the program. Relatives, neighbors, community members, or current/past sitters can be child care providers. Providers must be 18 years of age or older and pass a background check. Work schedule will be determined by you and the child care provider(s) you choose. You will need to work with providers to take personal health precautions for the safety of all. This program is open to families who have NOT yet used *Fairfax Recharge* or *Kinship Respite to Recharge* programs in 2020-21.
