

General Information about Prenatal Exposures

National Resources for Prenatal Exposures

- American Academy of Pediatrics, <https://brightfutures.aap.org/Pages/default.aspx>
- Center for Maternal Substance Abuse and Child Development at Emory University, <http://msacd.emory.edu/>
- FASD United (formerly NoFAS), <http://fasdunited.org/>
- National Center on Birth Defects and Developmental Disabilities, <https://www.cdc.gov/ncbddd/aboutus/pregnancy/nas.html>

Intervention Links

National Resource on Educational Regulations

- Center for Parent Information and Resources, <https://www.parentcenterhub.org/>

National Intervention Resources for Education and Learning

- National Center on Intensive Intervention, <https://intensiveintervention.org/>

Academic Skills

- Academic Subjects and Learning Strategies (for middle and high school students) University of Kansas, Strategic Instruction Model <https://sim.ki.edu/learning-strategies>
- Dyscalculia.org, <https://www.dyscalculia.org/home>
- Handwriting. Handwriting without Tears, www.hwtears.org
- Math (Children, ages 3-10). Math Interactive learning Experience (MILE), <http://msacd.emory.edu/> or contact Molly Millians at molly.n.millians@emory.edu
- International Dyslexia Association, <https://dyslexiaida.org/>
- Reading Rockets, <https://www.readingrockets.org/>
