Phone: (240) 343-4304

Pronouns: She/Her/Hers

Twitter: [AcssCollege](#) Facebook: [AccessibleCollege](#) Instagram: [Accessiblecollege](#)

Annie Tulkin provides college preparation and transition support for students with physical disabilities and health conditions.

Physical Disabilities:

1. [Accessible College partnership with the Reeve Foundation](#): Annie has a partnership with the Christopher & Dana Reeve Foundation. Students with any type of paralysis can work with her for free for up to 3 hours.

2. [Navigating the Transition to College with Paralysis](#): This is a guide Annie wrote for the Reeve Foundation.

3. [A Wheelchair User's Guide to Preparing for College](#) and [How to Secure Housing and Manage PCA Services at College](#): Two pieces Annie wrote for New Mobility magazine.

4. [United Spinal: Wheels on Campus-20 wheelchair friendly campuses guide](#):

This is a guide that United Spinal and New Mobility Magazine put together. Outlining the most wheelchair accessible campuses and discussing college options for wheelchair users.

Health Conditions/Visual Impairments:

1. [When Students with Health Conditions Transition to College](#): This post by Annie talks about executive function skills that are essential for students with health conditions in the college setting.

2. [How Can Students with Health Conditions Successfully Navigate the College Transition?](#): This post by Annie focuses on preparing students with health conditions to be able to self advocate in college.

3. [Perkins School for the Blind-College Readiness Resource Center](#): Annie worked with the Perkins School to create this site to support students, families, and educators.
